Hi Patricia I'm so sorry we've been swamped and this week is not looking good Friday would be the soonest day we could stop by and just to let you know Mariana will be out of town on the date that you proposed in a week or so. If there were any way we could convince you to postpone and come up with a date that we can promote and we could both be there that would be wonderful. Are you available Friday around 10 AM?

Hi we Don't go to the gallery on Fridays. Sad to hear Mariana will be out of town. We have already send out invites and also posted it on eventbrite. Let me go to the gallery on Thursday and see what we can do. Would you still be able to send the invites out for the date we picked if some people have already purchased tickets from eventbrite ? Then next thing we plan we can coordinate better with you.
Would you both be able to meet if we come to your office instead this Thursday? If not how does next Thursday afternoon work to meet ?

Hi there. Of course we will still promote! Widely! and yes, we should coordinate better and further in advance. A lead time of 6-8 weeks is best to get a good turnout. I also think art walk might be a nice time for an interactive event of some kind!

We tend to start early and afternoon meeting fill up our schedule quickly. For example, my schedule Thursday is as follows: A 10-11:30, a 12pm, a 2-3:30pm

Wonderful thank you 🙏 did you receive my promotional material? If you could circulate several times till the event I will greatly appreciate it.

I have to leave Downtown not long after to pick up my son. None of my meetings are at the office but at various locations Downtown

Did you send materials to Mariana? She is in charge of all our outreach/ social media!

Are you available this Thursday at any time to come to the gallery?

I might be able to do a 9am for a few minutes

And Mariana is far more important to meet with

For this purpose now that we have had an initial meeti Ng

Ok so will both be available next Thursday?

Also is there a contact number for Mariana that I maybe about to contact her at?

11am next Thursday?

We have a standing 12-1:30 and 2-300 staff meeting for art walk and scheduled photos with Gary Leonard.

If Thursday is your only availability this might be difficult. Typically it helps if you can give various days and times and we can choose one that works for both. Remember there are just two of us so you have 100% of the HCBID staff. LOL

Are you only Downtown on Thursdays?

You seem to get a lot done with 💯 staff of two 👏👏👏. The beauty of women and their ability to multitask.

Yes for now we only come on Thursdays. So next Thursday at 11 is perfect. See you then.

Thank you and looking forward.

Yes, I’m so lucky!
Wonderful! May we talk by phone before? I don’t want to let too much time pass I we can coordinate

Before*

Perfect. When would you like to speak ? I am pretty busy today but tomorrow and Thursday work for me.

I will resend the promotional material again for you and Mariana

So Mariana can come to you Thursday!

Patricia,

So on the date you have (20th) I have my son that day. His father is working and I don't have anyone in town to pick up my son from school and get him home and fed and put to bed . We can still promote of course!

I would really like to sit down after this event and plan something for April or May that we can spend the time working out the details before making it a Historic Core Resident Night! But this is so fabulous and we are very much looking forward to making it happen with some longer lead times...
